

BUFFALO NIAGARA MEDICAL CAMPUS PHASE III – ALLEN ST. EXTENSION

NOTICE OF PUBLIC MEETING #6 CITY OF BUFFALO DEPARTMENT OF PUBLIC WORKS, PARKS AND STREETS PROJECT IDENTIFICATION NUMBER: PIN 5757.95

The City of Buffalo Department of Public Works, Parks and Streets have announced that Public Meeting #6 will be held to present the final design for the Buffalo Niagara Medical Campus Phase III – Allen Street Extension Project. The Project includes two phases. Phase A will include the construction of a pedestrian/bicycle path between Washington Street and Ellicott Street in the Buffalo Niagara Medical Campus (BNMC). Phase B will include streetscape improvements on Allen Street from the west side of Main Street to the west side of Delaware Avenue.

The Meeting will be held at D’Youville College Center, 329 Porter Avenue, Buffalo, NY 14201 on February 21, 2018 from 6:00pm to 8:00pm in the Blue Lounge. The format of the meeting will be open house; there will not be a formal presentation. The main displays will include final design features and highlight key project construction aspects for public viewing. The project team will be available to answer questions.

Additionally, details may be viewed on the Project Website at www.allenstreetextension.com subsequent to the Public Meeting. The website will also feature a Frequently Asked Questions (FAQs) section and real time updates to the construction schedule throughout the project.

Further information on the project may be obtained from:
