

BUFFALO NIAGARA MEDICAL CAMPUS PHASE III-ALLEN ST. EXTENSION

NOTICE OF PUBLIC MEETING #5 CITY OF BUFFALO DEPARTMENT OF PUBLIC WORKS, PARKS AND STREETS PROJECT IDENTIFICATION NUMBER: PIN 5757.95

The City of Buffalo Department of Public Works, Parks and Streets have announced that Public Meeting #5 will be held to present design details of the Preferred Design Alternative for the Buffalo Niagara Medical Campus Phase III Allen Street Extension Project. The Project includes two phases. Phase A will include the construction of a pedestrian/bicycle path between Washington Street and N. Oak Street in the Buffalo Niagara Medical Campus (BNMC). Phase B will include streetscape improvements on Allen Street between Main Street and Wadsworth Street.

The Meeting will be held at D'Youville College Campus Center, 329 Porter Avenue, Buffalo, NY 14201 on June 7, 2016 from 4:00pm to 9:00pm. The format of the meeting will be open house; there will not be a formal presentation. Drawings, sample materials, and pertinent project facts will be on display for public viewing, and the project team will be available to answer questions.

Additionally, details may be viewed on the Project Website at www.allenstreetextension.com subsequent to the Public Meeting.

Further information on the project may be obtained from:
